Respected Sir/Madam,

I am writing to request permission to host and organise a non-technical event as part of NOVUS-2026 titled "NO RULES, ONLY FUN". The event is tentatively planned to be conducted on 10th October 2026, and the event will be intended for 1st-year students. The proposed duration of the event is 1 hour, and the registration fee will be ₹150. Registrations will be open from 5th October to 8th October 2026; any interested candidates can give their names. The main aim of our event is to engage students in fun-related activities like dumb charades, ramp work, music statue and other interactive activities. This event is conducted by us so that it will create a fun, engaging environment among the students. We kindly request you to grant permission for us to organise this event as part of NOVUS-2026. We hope that you support us throughout the process to make this event successful.

Thank you for your time and consideration.

Yours sincerely,
